

## INDIGENOUS EMPLOYMENT EXHIBITION

### 2017 CareersXpo INVITATION

The *CareersXpo* is an annual event which is organised by the Rotary Club of Canberra City with support from the ACT Education Directorate. It has been operating for over 30 years and has grown in popularity each year.

After the success of the last two years, we are again having an Indigenous Employment Exhibition to raise awareness of career and education opportunities including support services to Aboriginal and Torres Strait Islander people living in the ACT.

You are invited to host an information display to showcase the services and support provided by your organisation to the Indigenous community. You will have the opportunity to engage and connect with young people and their families, teachers and other exhibitors.
